Place of Data Processing

The processing operations connected to the web services of this site take place at the aforementioned offices and are only handled by personnel in charge of processing, or by persons in charge of maintenance operations.
The personal data provided by users who submit specific requests are used for the sole purpose of, possibly, perform the service or provision requested and are communicated to third parties only if this is necessary for that purpose.

Types of Data processed

**** Navigation data**

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This is information that is not collected to be associated with identified interested parties, but which by their very nature could, through processing and association with data held by third parties, allow users to be identified.
These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning.

**** Data provided voluntarily by the user**

The optional, explicit and voluntary sending of e-mails to the addresses indicated on this site entails the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message.

Specific summary information will be progressively reported or displayed on the pages of the site prepared for particular services on request.

**** Cookies**

Cookies are a small amount of data that is stored in the computer's RAM or on the hard drive, every time a website is visited. Our website uses cookies to recognize and keep track of visitors, in order to provide them with faster access to the site and to modify their content according to their preferences. Cookies in no way allow the visited site to have access to any other data on the users' computer. For more information see the specific information on cookies on our website.

Optional provision of data

Apart from that specified for navigation data, the user is free to provide personal data if required in special sections of the site.

Failure to provide them, however, may make it impossible to obtain what may be requested.

Methods of Treatment

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected.

Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

Rights of the interested parties
